

Job title:

Repairs Coordinator (Delivery Support)

Line manager:

Delivery Support Manager

Grade (if applicable):

Direct reports: n/a

Role purpose:

As a Coordinator (Delivery Support) within the newly formed Repairs Team, you will be an integral part of the delivery of Peabody's repairs, maintenance and property services. As part of our centralised support function, you will be working in a busy and responsive environment, requiring you to be adaptable and able to focus on several projects at any one time to improve our repair service for our customers. You will and work closely and collaboratively with colleagues, stakeholders and customers across Peabody, driving improvements and offering a first-class service to our customers.

You will be organised, accountable and customer focused, ensuring the services we provide offer value for money, are of good quality and are aligned with our values and objectives.

Key results:

The wider Repairs Team is responsible for the delivery of all property services across Peabody, including:

- Day-to-day responsive and major repairs
- Complaints, Disrepair; damp, mould & condensation; EHO and escalated cases
- Empty Homes / Voids
- Aids & adaptations
- Planned Preventative Maintenance and proactive case management
- Service delivery for repairs managed through the DPS Marketplace
- Planning for the in-house DLO
- Professional property related services

As a Coordinator (Delivery Support), you will:

- Be a customer facing member of the team, supporting our customers and operational teams in the delivery of property services;
- Ensure the provision of excellent customer service and experience to all stakeholders to maximise customer satisfaction;
- Work closely with the complaints team, contractors and regional property services teams to progress repairs complaints at stage 1 and 2 to successful completion
- Support the regional property services team with any issues that prevent the successful resolution of a complaint through effective problem solving
- Review repairs history to ascertain where repairs have gone wrong and highlight lessons learnt to both the complaints team and Property Services
- Own escalation cases when needed, liaising with our customers through to completion;
- Take ownership and co-ordination of ad-hoc projects dependant on current demand and need of the Property Services Team and wider teams when required;
- Visit Peabody's external Contractor's offices when required to work collaboratively and be a point of contact for complaints whilst on site;
- Provide support when required to the Repair Delivery Support Team, assisting with incoming Contractor and Staff queries relating to repairs;
- Undertake any other reasonable duties as required by the Heads of Service or their nominees, which may include working outside normal working hours;
