Role purpose:

Deliver an efficient, proactive and customer focussed Neighbourhood warden service to Peabody customers through the effective management of reported cases and routine patrols to a professional standard and in compliance with policies.

Key results:

One of our core priorities across all parts of the business is delivering an excellent experience every time to every customer, internal and external.

As a Neighbourhood Warden, you will report to the Warden Team Leader and play a crucial role in the delivery of Peabody's customer services ambition.

You will be accountable for holistic service delivery and ensuring we deliver our promises to customers in your area. You will work as part of a regional team to achieve this and hold others to account for the service they provide to your customers.

Success metrics:

- To use the designated powers provided by Local Authority to accurately record and issue Community Notices and Fixed Penalty Tickets.
- Collaborate with internal and external partners to ensure that necessary protocols are complied with.
- Collaborate with key external partners by developing effective relationships (including police and local authorities) to resolve local community issues, such as Anti-social behaviour and Environmental Crime, and represent Peabody at external stakeholder meetings, where necessary.
- Collaborate with colleagues in Customer Services and Communities Team to identify support needs and access relevant support agencies for all residents.
- To ensure a highly visible presence on the estates and neighbourhoods.
- To act as a professional witness in legal proceedings, in criminal or civil courts, and give evidence as necessary.
- To support our colleagues in the community teams by serving of notices, attending forced entries, evictions and other duties.
- To carry out investigation operations, including the use of electronic image (including CCTV) or sound gathering equipment to support cases of Anti-Social Behaviour and Crime.
- Contribute towards the high performance of your team by meeting and exceeding own KPIs and performance targets
- Keep up to date with changes in best practice and updates to policy and procedures.
- To undertake other tasks and projects as reasonably required in order to meet the varying demands of the business.
- To follow Peabody Health and Safety policies and procedures to ensure your own safety and that of others in the workplace. You may be required to undertake specific Health and Safety roles such as Fire Warden or First Aider as part of your duties.
